I recently planned an event with Zack and Matt for about 45 guests. It was the easiest event I ever planned! I didn't have to worry about a single thing! I arrived early, and was greeted by Zack and our 2 servers (sorry I can't remember their names) and was asked multiple times if I needed anything. they all pitched in to help decorate! Their service during the event was impeccable, the food was absolutely fantastic, and the drinks were incredible. I couldn't have asked for a better party!

Mindful was a great venue for our baby shower brunch. (40 guests). It has everything from a cool vibe to delicious food and drink. The event manager, Zack and the staff went above and beyond to make it the perfect day.

Always a Hit

I've been to Mindful Brewing in Castle Shannon no less than 140 times since Oct 2018. I had my 48th birthday party there on Saturday Nov 6th and had an amazing time to say the least. Any of my guests that hadn't been to Mindful before had nothing but tremendous compliments on the food, staff, and of course the beer selection. The food is very fresh, as nothing to my knowledge is frozen and is "farm to table". Their beer selection is one of the largest in the area. If for some reason you don't like beer, they have wine, seltzers, a few specialty mixed drinks, and pop. They have plenty of their own beer as well as an enormous selection of regional beers. Since me and my fiance have been to Mindful numerous times, we know most of the staff and we were excited to have Chris, Kierra, and Zach work my event. They were great as always! In summary, Mindful Brewing never disappoints and I'll probably hit 200 visits before long. Cheers!

Travel Sports Christmas Party

From start to finish this Brewery did not disappoint! They respond fast to enquiries, they work with any group size as well as individual needs and are very accommodating! Zack and his staff were so welcoming, easy to work with and gracious in dealing with a age range of 5 - 50 without any hesitation! Food was delivered fast, warm and so delicious. Their event menu had something for everyone in our 45 person party, including picky eaters. And then the real star of the show - their beer! If you haven't visited them you should, and if you have, I know you will be back - because we will!

Coed Baby Shower!

This was a great venue for a coed baby shower! The food and beer were perfect for an early party. (The hummus is amazing!) What made this a great day were the staff. If you are looking for a small party venue (40-60) the price is right and the service is exceptional!
